POLAR BEAR EXPEDITION

"Viewing polar bears in the wild is one of the most unique experiences in the world." —ALASKA Magazine

ALASKA HAS EVERYTHING you could want on a vacation — glaciers, mountains, wildlife and a unique culture — and Warbelow's Air Ventures has long history of providing innovative flight and guided ground tours throughout Alaska. With scheduled flight service to more than 12 villages throughout the Interior, we have a journey to fit your budget!

Visit us at www.Warbelow.com

Arctic Coast Polar Bears

Fly above the Arctic Circle to Kaktovik and view polar bears in their natural habitat. Kaktovik, an Inupiat Eskimo village, is located along the coast of the Arctic Ocean on Barter Island and is the only village within the Arctic National Wildlife Refuge. Safely view and photograph polar bears in a rare and special wildlife encounter.

POLAR BEAR EXPEDITION 2013

Departs throughout September 2013

RESERVE EARLY!

All photos in this brochure were taken by guests on our tours!

STANDARD TOUR PACKAGE

Package includes:

- Round-trip air from Fairbanks
- Ground transportation
- Meals, Transfers & Guides

Each tour itinerary will be based on the local weather, whale harvest, and community events, ensuring we make the very most of your expedition!

More info online at www.Warbelows.com

2013 SCHEDULE:

Last week of August to the last week of September 4 days a week: Sunday / Tuesday / Thursday / Saturday. Additional days may be available for groups.

WE GUARANTEE POLAR BEAR SIGHTINGS

We know you have selected this experience because you are highly motivated to see polar bears in their natural habitat. For this reason, if we have reports there are no bears in Kaktovik prior to our departure from Fairbanks we will cancel the tour and provide a full refund.
